

## Announcement of the STMS fellowship

GREENCAM is a project in the frame of Education, Scholarship, Apprenticeships and Youth Entrepreneurship Programme in Romania financed through the EEA Grants 2014-2020. The main goal of the project is to strengthen institutional cooperation in high education area based on common needs of the partners: University of Bucharest (UB) as Project Promotor and Norwegian University of Science and Technology (NTNU) as Donor State.

### **1 fellowship for short term mobility of students (STMS) is available in the frame of GREENCAM project**

STMS means a transnational learning period of maximum 30 days between 3<sup>th</sup> of May and 1<sup>st</sup> of June 2020. During STMS, the applicant will have the opportunity to perform research activity in the laboratories of NTNU partner (Trondheim, Norway) for developing part of the dissertation topics.

#### Proposed research topic for STMS fellowship

Bifunctional catalytic materials for the humins valorisation to liquid hydrocarbons

#### Eligibility

Participants of the STMS fellowship must:

1. be in the 1<sup>st</sup> year of master program at master direction "Chemistry of Advanced Materials", Faculty of Chemistry, University of Bucharest
2. have a very good knowledge of the English language.

#### Application form

1. Europass CV (in English)
2. Copy of the ID card

**Faculty of Chemistry**

3. Motivation letter specifying the reason(s) for participation in GREENCAM project and the options for the research topics in order of preferences.

The selection of the participants at STMS will be accomplished based on an INTERVIEW on 8<sup>th</sup> of November 2019, 11:00, room 14, Faculty of Chemistry (B-dul Elisabeta, no. 4-12, sector 3, Bucharest). During the interview, the candidates will be questioned regarding the relevance of the STMS fellowship for their professional and personal development.

Criteria for selecting the STMS participant

The final score of the candidates will represent:
