Address: 23-35, B-1 21 Decembrie 1989, ap. 81, 400105, Cluj-Napoca, Romania

Date and place of birth: 27.06.1955; Cluj-Napoca, Romania

Nationality: Romanian

Civil Status: married; two children

### Positions

2019(present) -1997 professor, Babeş-Bolyai University, Department of Chemistry;

9-10/2012 invited professor (2 months) University of Montpellier 2 (France);

7/2009 invited professor (1 month) University of Angers (France);

8/2008 invited professor (1/2 month) Humboldt University (Berlin, Germany);

4-7/2005 invited professor (4 months) University of Rouen (France);

4-7/2004 invited professor (4 months) University of Rouen (France);

2-7/2003 invited professor (6 months) University of Rouen (France);

1-6/2002 invited professor (6 months) University of Rouen (France);

10/1999-1/2000 invited researcher (CNRS, 4 months) University of Rouen (France);

1997-1995 associate professor, Babeş-Bolyai University, Department of Chemistry;

1995-1990 lecturer, Babeş-Bolyai University, Department of Chemistry;;

11/1994-8/1995 invited researcher, Instituto de Quimica de la UNAM (Mexico DF, Mexico)

CONACYT program;

1980-1990, chemistry teacher , High School for Informatics, Cluj-Napoca, Romania.

### Education

1990-1993; PhD thesis in organic chemistry (PhD adviser: Prof. dr. Sorin Mager). Title: "Contributions to the conformational analysis of some 1,3-dioxane derivatives";

1979-1980, Master organic chemistry;

1975-1979, License in Chemistry.

### Stages abroad (others then those mentioned at positions)

**Short visits** (scientific collaborations):

**University of Rouen** (France) (financed by this university): 1993 (1 month); 1995 (1 month); 1996 (1 month); 1998 (1 month); 2000 (two months);

**University of Würzburg** (financed by DAAD as experimented researcher): 1997 (three months); 2001 (two months); 2006 (two months).

**Foreign Languages:** French (excellent); English (very good), Hungarian (basic in writing and fluent for oral)

**Awards:** "C. D. Nenițescu" prize of the Romanian Academy for the original contributions concerning the „Conformational Analysis of 1,3-Dioxane Derivatives”; 1994 (co-authors: Sorin Mager, Mihai Horn and Dalila Kovacs)

**Publications:** 135 papers in ISI journals, **Hirsch factor:** 17, **total number of citations:** 1039 (Scopus)

**Researcher ID:** B-8088-2011

**Invited lectures:** (Lille: June 16<sup>th</sup> 2006; Heidelberg: August 21<sup>st</sup> 2006; Würzburg: September 20<sup>th</sup> 2006; Braunschweig: April 15<sup>th</sup> 2009; Humboldt, Berlin: July 8<sup>th</sup> 2009; Angers: July 1<sup>st</sup> 2009; Athens, Greece: May 17<sup>th</sup> 2010; Montpellier September 21<sup>st</sup> 2012; Braunschweig: June 25<sup>th</sup> 2014).

**Member** of the American Chemical Society and of the Romanian Chemical Society

**Member** of the Editorial Board for Revue Roumaine de Chimie, Studia Universitatis Babes-Bolyai, Chemia and Open Journal of Organic Chemistry

**PhD advisor** since 1999; 32 defended thesis, 8 of them in joined programs with universities of France. Three thesis in cooperation with the University of Rouen [co-advisor Prof. dr. Gérard Plé; Mirela Balog (2004); Niculina Bogdan and Carmen Florian (2006), a thesis in collaboration with the University of Lille 2 [co-advisor prof. dr. Patricia Melnyk; Emilia Paunescu (2007)] and 4 thesis in collaboration with the University of Angers [co-advisor D.R. dr. Jean Roncali; Dora Demeter (2008), Flavia Piron (Pop) (2009), Ioana Dobra (2012), Andreea Diac (2015)]

**Codirector** (with prof. Cristian Silvestru) of the Center of Supramolecular Organic and Organometallic Chemistry (CCSOOM) and group leader (Group of Organic and Supramolecular Chemistry, part of CCSOOM).

**Research group leader** starting with 2004, director of many research national and international research grants
